Dear Parents, Boys & Girls,

I wrote in my first Bulletin, back at the beginning of 2014, that I was looking forward to working at StMM's and I was assured the school community was one of great energy and commitment. I can really say that this has been very much the case over the past two years with an increase in participation from all in our Community. I look forward to continuing the journey with our students, parents, parish and staff in 2016.

I would like to welcome back all our students and their families from a well-rested holiday to an exciting and action filled year of learning. A special welcome to all our new students, especially our new Kinders, who I am sure will feel very happy in becoming part of the caring and friendly community here at St Margaret Mary's (StMM's) I would also like to welcome a number of new staff: Andrew Kelleher (Learning Support), Ronell Robles (Information Technology), Sue Tripp (Learning Support), Brian Melocco (School Counsellor), Dale Yearlsey (Yr 2 Teacher) and Stephanie Finch (Yr 1 Support).

St Margaret Mary's is a Catholic school and as such exists to support the parish, at Merrylands, and works

closely with the parish team lead by Fr Janusz and Fr Peter James. We are a strong, welcoming community and will work hard at following Pope Francis's call:

***"Be merciful, even as your Father is merciful"*** (cf. Lk 6:36).

There will be a number of opportunities for our community to ***Listen, Share and Act*** when linking the Year of Mercy to our daily work here at Merrylands.

God Bless.

Kevin Mills  
Principal

## Opening Mass/ Ash Wednesday

On Wednesday, 10<sup>th</sup> February, you are warmly welcomed to the Ash Wednesday Mass marking the beginning of the Season of Lent. At this Mass we will also ask for God's Blessings on the year ahead and induct our school leaders. This Mass will begin at 9.00am and the whole school will attend.

### Back to School Prayer

We thank You for the fragrance of a new box of crayons, Lord,  
The rainbow in each perfect row;

Thank You for each bundle of snowy white notebook paper,  
Awaiting fresh possibilities.

May they remind us that You make all things new,  
And bless us with abundance.

Thank You for this ruler; for every eraser that tops every pencil.  
May they help us remember to measure our blessings,

But never Your boundless love for us;

To allow for the making of mistakes as a normal part of human learning.

As we lay out our new clothes for these first days of school,  
Help us remember to put on Christ each day, too,

And to "clothe the naked" as He asked us.

But mostly, God, help us remember,

That Jesus is always our best and most devoted teacher—

That we never outgrow all His lessons on,

How you want us to live and to love.

# Administration

## MAI Testing

Thank you to all the parents and students for your support with the MAI Testing. It ran very smoothly.

Students who have not yet been tested will be tested during class time.

## Thank You

Thank you to the wonderful parents that covered books for the library while they were waiting for their child to complete their MAI (Maths Assessment Interview) and also took books home to cover.

## Student Medical Information

If your child/ren suffer from Asthma or has/have medical conditions, could you please contact the office in writing with an update of the medical conditions and any other information that may be helpful to the school in relation to the care of your child's/children's medical conditions. For example if your child suffers from Asthma please supply an update of your child's Asthma Plan.

All medical information is required to be updated, and all Action Plans for Anaphylaxis and Asthma need to be current.

Thank you,  
Office Staff

## Photo Permission

From time to time photos and/or videos footage of your child will be taken at school and school events. These photos may be used in the school newsletter, diocesan newsletter, brochures, advertising, newspaper, website or publications and video footage. If you do not wish for your child/ren's photos to be taken and published, please advise the school office in writing.

## Nut Allergies

As you may or may not be aware there are a number of children attending our school who have nut allergies. This means that if these children come in contact with any nut products they will have a severe allergic reaction.

We are asking that children refrain from bringing food to school that may contain nuts. (Nutella, Peanut Butter, Muesli bars etc.)

We also ask that you remind your child/ren not share their lunch or any other food with another child.

## Change of Classes

Due to an increase in student enrolments at St Margaret Mary's there have been slight changes in some student classes. These changes were made to balance the number of boys to girls ratio.

## School Uniforms

All uniforms must be worn neatly and correctly. It is expected that children have suitable hairstyles appropriate to their age and school expectations. Long hair must be tied back. Our Sun Safe program—No Hat No Play requires students to wear our school cap or school hat when outside. These hats and caps are available at the school office. Sleeper earrings and stud earrings may be worn. Please be aware that these can be dangerous during sports time. Simple signet rings may also be worn. No expensive jewellery is to be worn at school.

## School Fees 2016

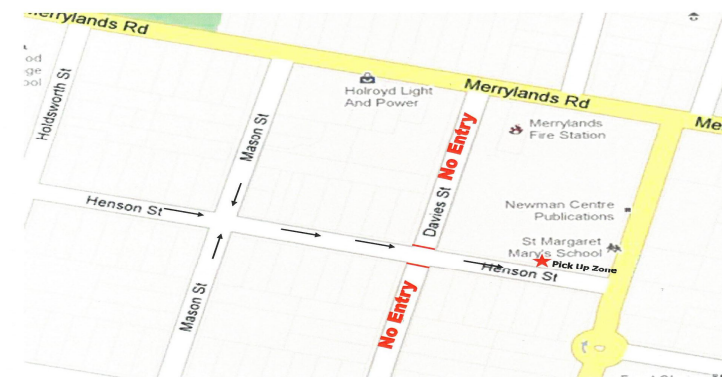

All school fee statements will be posted out by the CEDP within the next couple of weeks. If you have any queries regarding fees please contact Mrs Maria Pagano at the school office.

## Evacuation Training

One day next week we will be holding a Fire Evacuation Drill for the whole school as part of our WHS Safety Training. Please note that this will become a normal procedure throughout the year for all students, staff and visitors. If you are on school premises at the time of the evacuation please follow all instructions from staff.

## Car Pick Up

Any parents wishing to join Car Pick Up will need to see the office to fill out a form and be issued with a number to be displayed on their windscreens. Children will be given a corresponding number to attach to their bag. It is important that all parents involved in this service be attentive to the rules of the road.

## Crunch and Sip

Just a reminder Crunch and Sip is a break during class when students can refuel on fruit or vegetables and rehydrate on water. The break assists students with physical and mental performance, and concentration in the classroom.

## Codes of Conduct

At our school we have three Codes of Conduct for our students. In our behaviour management policy we show the following:

“The whole school community of St Margaret Mary’s continues to provide an environment that enhances our Christian values and embraces the diversity of people and cultures. The members contribute to ensure that each individual receives their basic needs of Love, Belonging, Importance, Freedom and Fun. This is achieved by members knowing they have the.....

### Right

- ◆ to be happy and feel safe
- ◆ to learn
- ◆ to be respected

### and the Responsibility

- ◆ to allow others to feel happy and safe
- ◆ to allow learning to occur
- ◆ to show respect for everyone.

Therefore, the school maintains a Code of Conduct that states:

- ◆ Everyone has the right to Teach and Learn
- ◆ Everyone has the right to feel Valued and Respected
- ◆ Everyone has the right to feel Safe and Secure.

We ask that you speak with your children about our three Codes of Conduct. We have high expectations that our students will be consistent with their behaviour and learning.

## Beginning of a New School Year

As our school year began many students attended their MAI, on Wednesday or Thursday last week, to help teachers plan appropriate activities to benefit each child.

Students from Years One to Six started school on Friday and began with a Morning Assembly where they met their teacher for this year and were introduced to the Year 6 School Leaders.

All of the Kindergarten children began school for the first time on Monday with many fun learning activities.

The Parents of the Kindergarten students, as well as the new parents to StMM's, were invited for Morning Tea in the LARC where they were able to meet other parents and the P & F Committee.

### A Year of Mercy

#### Pope Francis Reflections

The Jubilee of Mercy began when Pope Francis opened the Holy Door of St Peter's Basilica on 8<sup>th</sup> December, 2015 and will conclude when he closes that same door on 20 November, 2016. Throughout the year, reflections by Pope Francis will be placed in the newsletter around the theme of Mercy.

"I would like to recall [the Seven Corporal Works of Mercy], because it will be good to hear them again: They are:

1. to feed the hungry;
2. to give drink to the thirsty;
3. to clothe the naked;
4. to harbor the homeless;
5. to visit the sick;
6. to visit the imprisoned;
7. to bury the dead.

I encourage you to carry on your work with joy and to model it after Christ's, allowing all who suffer to encounter you and count on you in time of need."

Address, June 14, 2014

### Reflection

**In this Year of Mercy what can you do to show mercy toward others?** How familiar are you with the Seven Corporal Works of Mercy? How many have you practiced?

### World Youth Day

A reminder we still have many outstanding raffle tickets books for the World Youth Day Raffle. Please make an effort to return all books whether sold or not. Over the next few weeks we will be contacting any families who have not returned their raffle tickets.

## Student Banking

St Margaret Mary's participates in the student banking program which is run by the Commonwealth Bank. If your child is in years 1-6 and has a student banking account, they can participate in this program.

Student Banking Day is on **Tuesdays** and will commence on **Tuesday, 16th February**. Students need to bring their bank books to school on this day and hand it to their class teacher. If your child would like to open a bank account, you can open an account at the Commonwealth Bank online.

## Book Club

Approximately twice a term children are given the opportunity to order books from Ashton Scholastic Book Club. It is important that when you are ordering items offered by Ashton that you read the information provided in the catalogue regarding the product. If you are not fully satisfied with your purchase parents are asked to contact Ashton as the school's role is only ordering and distribution.

It is not compulsory to order these books. The order forms will be sent home with your child and are to be completed and returned to the school with the exact money (no change will be given). Payment can be made by cash, cheque or credit card. Please ensure that the child's name, class and amount enclosed are clearly marked on the envelope as well as on the order form.

Parents now have the opportunity to order their child/ren's books directly from Scholastics via the parent LOOP. Information regarding the LOOP can be found on the Scholastic website or through the brochure sent home with your child.

## Child Protection

Parents wishing to help out on school excursions, in classrooms, in the canteen, at sporting activities, P&F activities, or any activity that involves contact with students other than your own, **MUST** complete the Child Protection Module and Working with Children Check.

This is a requirement as part of the child protection within schools. If you completed the child protection module in 2014, you are required to redo the module in 2016. If you completed the module last year, 2015, you do not need to redo the module until next year.

To access the module go to

<http://childprotection.parra.catholic.edu.au>

(Completing this module you must **renew every 2 years**).

It is a system requirement that child protection training be completed by all volunteers commencing work in our school and for existing volunteers.

### To use the module:

1. Open the module by clicking start.
2. Read through the presentation.
3. Complete and submit quiz questions. This will take approximately 45 minutes.
4. After successful completion of the module, fill out the form by typing your name, email address, contact number, contact address and the school you intend to volunteer at.
5. A notification of your successful completion of the module will be sent via e-mail to the school and also to your email address.

You also need to complete the Working with Children Check. This can be obtained by visiting the following website. <http://www.kidsguardian.nsw.gov.au> and follow all the instructions. You then must register through the Roads and Maritime Services. This is also free and allows you to help out at any voluntary activity where children are concerned. This is a **5 year certificate**.

## Canteen Helpers

Do you enjoy conversation with your lunch? Would you like to see your children occasionally during school hours? Are you looking for a way to become involved at school, in a social relaxed way and you have completed the Child Protection Module? Then the canteen is the answer you've been looking for. We require some new faces to join our wonderful team of canteen ladies. If you can spare a day in a week, fortnight, month or even occasionally, please fill out the form and return it to the school office.

We really do need the help! Many hands do make light work and your child would love to see you in the canteen. Mums, Dads, Nans, or Pops are all welcome. Lunch is provided. If you would like any more information please see Georgina in the Canteen.

# Safety Around Schools

## A Road Safety message from Holroyd City Council

As a new school year begins, it is important to keep road safety on the top of your mind.

School Zones can get very busy during drop off and pick up times, it is important for parents and children to remember to take extra care when travelling to and from school.

Here are some tips to keep your children safe.

### Pedestrian Safety

#### STOP

Always hold hands with younger children.

#### LOOK

Look both ways for oncoming traffic before crossing the road.

#### LISTEN

Always use a pedestrian crossing where possible.

#### THINK

Never call your child across the road, wait for them on the school side.

Always obey the parking signs eg. No Stopping, No Parking and Bus Zone

Never park on the nature strip or across a footpath

Don't park and block driveways

Never park on or near a pedestrian crossing

Don't Double Park when picking up or dropping off

### Parking Safety

### Bike Safety

Children must **ALWAYS** wear a correctly fitted helmet.

**TIP:** The helmet should fit low on the forehead so that 2 fingers fit between the helmet and the eyebrows.

Bicycles should be maintained regularly to ensure they are in good working condition.

Children under 12 years old should ride on the footpath.

### Bus Safety

Meet your child at the bus stop, **NEVER** on the opposite side of the road.

Wait until the bus has driven away before crossing the road.

Teach your child to stand back from the kerb and away from the traffic.

Remind your child if the bus has seatbelts, they must buckle up.

✓ Drive **SAFE** ✓ Ride **SAFE** ✓ Walk **SAFE**
