## 1. INTRODUCTION AND PURPOSE

Catholic education is integral to the evangelising mission of the Catholic Church in the Diocese of Parramatta under the leadership of its Bishop. It is through learning and teaching that Catholic education promotes the work of the Church, the formation of the individual and the good of society.

Catholic schooling is a work of love, for the full human development of students, grounded in the person of Jesus Christ and at the service of society. Working closely with and in support of their school's Parish Priest, all staff share in the evangelising mission of the Church as they endeavour to accomplish a synthesis of faith, life and culture in their communities.

Catholic schools exist to provide a quality Catholic education in an environment that is welcoming and inclusive. The four priorities that underpin Catholic schools in the Diocese of Parramatta are:

- *Mission is countercultural*
- *Equity is the norm*
- *Learning is owned by the learner*
- *Everyone is a leader*

The work of the Catholic Education Diocese of Parramatta (CEDP) is guided by these four priorities.

## 4. POLICY

- 4.1 CEDP's *intent* is to transform the learning of each student and enrich the professional lives of staff within a Catholic learning community.
- 4.2 CEDP system schools *value* parents as first educators of their children, and understand their need to choose the school best suited to [their] educational purpose.
- 4.3 CEDP system schools *welcome* students and families from a diverse range of backgrounds and needs.
- 4.4 CEDP system schools consider the following needs when prioritising enrolments:
  - 4.4.1 preferencing Catholic children and siblings of current students;
  - 4.4.2 supporting those who are poor, marginalised and in most need; and
  - 4.4.3 accepting enrolments of children from non-Catholic families where places are available.
- 4.5 Where places are limited, priority is to be allocated in the following order:
  - 4.5.1 siblings of students currently enrolled in the school to which the Application is being made;
  - 4.5.2 students presently enrolled within a community of schools (e.g. Westmead Catholic Community, the Catholic Learning Community of John XXIII and St Mark's Stanhope Gardens) as they progress to another school within that community;
  - 4.5.3 students who are Catholic and from another CEDP school;
  - 4.5.4 of similar priority, students:
    - 4.5.4.1 of Catholic families who worship or live in the school's parish;
    - 4.5.4.2 who are non-Catholic and who have been enrolled in a CEDP school for at least the last two years;
  - 4.5.5 children of Catholic families who are parishioners of another parish;
  - 4.5.6 children of Orthodox families;
  - 4.5.7 children whose families belong to other Christian churches who, with their parents, respect and agree to support the Catholic mission of the school including the faith education it offers for their children, and

- 4.5.8** children of no faith or non-Christian faiths who, with their parents, respect and agree to support the Catholic mission of the school including the faith education it offers for their children.
- 4.6** A student will not be denied enrolment because of the parents' genuine inability to pay school fees.
- 4.7** An Enrolment Application Form can be submitted up to two (2) years before the intended year of enrolment. Confirmation of enrolment at a nominated school will occur approximately 9 months prior to the year for which the Application is made.
- 4.8** An enrolment deposit, which varies between schools, is a non-refundable fee and is deducted from the first term's fees if commencing at the beginning of the school year, or the term in which the student commences.
- 4.9** Enrolment Application Forms are always as an application to a specific CEDP school.
- 4.10** If an Application to a school is not successful, the Applicant has the option to:
- 4.10.1** be on a Waiting List for that school; and/or
  - 4.10.2** apply to another CEDP school if places are available, and
  - 4.10.3** receive an offer of support from CEDP to be considered for enrolment at another CEDP school.
- 4.11** An Applicant has the option to remain on a Waiting List of their first preference school while accepting a place at their second preference school.
- 4.12** Where Applicants on a Waiting List are of equal status according to the enrolment criteria, the selection is determined by the initial date of the Application, with the earliest Application given priority.
- 4.13** All parents whose Application to their first choice of school is not successful, will be actively supported by CEDP for enrolment at another CEDP school that best suits their child's learning needs.
- 4.14** Children, whose fifth birthday occurs on or before 31 July may be considered for enrolment into kindergarten for that same year. However, school readiness is a significant factor for parents and the school in determining enrolment into kindergarten.
- 4.15** NSW children are allowed to start school on the first day of first term as long as they turn 5 by 31 July of that year. All NSW children must be enrolled in a primary school in the year they turn 6.
- 4.16** Once a student is enrolled into a CEDP school, transfers within the CEDP system of schools are prioritised in accordance with this policy, subject to availability.

Please note:

- 4.17 The enrolment of your child is conditional upon your full disclosure of all relevant information to enable CEDP to assess your application. If the needs of your child change following acceptance of enrolment, you must advise CEDP promptly of the change and provide updated disclosure of all relevant information to enable CEDP to assess whether it can continue to meet the needs of your child.
